Welsh Government Funding

Covid-19 Non Domestic Rates (NDR) Grant Scheme

This grant scheme will be closing to new applications at 5pm on 30th June 2020. If you are eligible and you have not already applied, please ensure that you apply via your local authority before this date. **Any applications received after 5pm on 30 June 2020 will not be considered.**

Economic Resilience Fund

In response to the COVID-19 outbreak the Welsh Government has announced a further extension to the Economic Resilience Fund support for businesses in Wales, in addition to the support provided by the UK Government.

Businesses can now find out if they are eligible to apply for financial support from the next phase of the Welsh Government's Economic Resilience Fund (ERF).

The ERF is designed to support businesses, social enterprises and charities that are not eligible for other Welsh Government COVID-19 non-repayable grant support schemes.

The online eligibility checker has reopened to allow companies time to prepare their applications, and **businesses will be able to make applications for support on 29 June 2020.**
