For this update we will be focusing on two clubs in North Wales. Firstly, Teifi Jones from the Club Development Team and Marc Roberts (Regional Rugby Manager) caught up with Sioned Foulkes (Vice Chair) at Clwb Rygbi Rhuthun.Cyf. The video call (conducted partly in Welsh and English) covers how the club are coping during lockdown and can be accessed by following the link below.

The second call was held with Tony Evans (Chair), Liah Bruce (Finance Director) and David Roberts (Director) of Rhyl & District RFC Ltd. Chris Munro (National Club Development Manager) and Marc Roberts (Regional Rugby Manager) discuss how the community facility was being used prior to the Covid 19 pandemic and the planning that the club has carried out to ease themselves out of lockdown when Government advice changes. ### Club Development Virtual Drop In Sessions

From next week a series of regional drop in sessions will be provided for our clubs. Members of the Club Development Team, Regional Managers and a representative from the Investment Team at Sport Wales will be available to answer any questions regarding the information provided in these weekly updates. The dates and times of the drop in sessions are provided below.

Initially the sessions will be held during the daytime. However we appreciate that due to work and family commitments, some clubs may not be able to access the sessions at this time. We will monitor attendance at the sessions and provide a follow up evening session if required.
